We are seeking funding for the coming academic years from a range of sources. Sponsorship to date means we have achieved a significant proportion of our targets thanks to the generosity of a wide range of private donors and foundations. Each and every financial contribution is valued, as is support in terms of advocacy and profile-raising.

Please contact us to find out how you can contribute and how to be further involved, at info@arthistorylinkup.org. And if you would like to donate, please use the details below. Gift Aid and tax deductions usually apply.
